**Subject:** Canada-Wide Early Learning and Child Care Agreement between the Province of Ontario and the Government of Canada

I am pleased to share that Kids' Campus Child Care has received notification on September 9, 2022 that we have been enrolled in the Canada-wide Early Learning and Child Care (CWELCC) System between the Province of Ontario and the Government of Canada as of April 1, 2022.

We believe that child care provides a strong foundation for early childhood development and well-being of children while parents work and we are committed to providing child care services that meet the needs of your children and families. Participating in the CWELCC System will help us continue to provide high quality child care that is accessible, affordable, inclusive, and sustainable.

As a first step, we will be reducing child care base fees by 25% as of **September 12, 2022**. Please see the attachment that outlines the applicable base fee per age group).

Fee reduction through the CWELCC system is for children under six years old (and any child who turns six years old between January 1 and June 30 in that calendar year), retroactive to April 1, 2022. This means that we will be providing you with a credit rebate on your fees equal to the amount of the decrease of 25% to which you are entitled between April 1<sup>st</sup>, 2022, and September 9<sup>th</sup>, 2022. (Licensees are required to provide refunds to families within 20 calendar days of receiving funding from the service system manager) Kids' Campus will send out further communication when we receive our funding from the service system manager the communication will outline your credit entitlement as well as when the credits will be applied to your account.

The Ontario child care fee subsidy program will also continue to be available for eligible families. As we move forward, we will continue to communicate more details to you. If you would like more information about the CWELCC System, please visit the website at: <https://www.ontario.ca/page/canada-ontario-early-years-and-child-care-agreement>.

I want to personally thank all of you for your patience as we have worked through the process required for reducing child care fees. If you have any questions, please contact us at [headoffice@kidscampus.ca](mailto:headoffice@kidscampus.ca) or 905-725-0123.

Sincerely,  
Heather Cook
